Petition for an Inclusive Disability Program

odcoalition.com

To the Legislative Assembly of Ontario:

WHEREAS every, child, youth or adult with a physical or developmental disability deserve access to sufficient treatment such as Occupational Therapy, Speech & Language Therapy, Physiotherapy, Vision Therapy and ABA , as well as other necessary supports so they can live to their fullest potential;

WHEREAS in developing the Ontario Autism Plan (OAP), the government has inadvertently created a provincial disability plan that separates and excludes all other diagnosis that are not Autism, as well as discrimination based on age;

WHEREAS excluding people with other diagnosis from provincial services is discriminatory and a human rights violation;

WHEREAS Ontario needs a true investment in services and supports that meets the needs of children, youth and adults *with all disabilities* as well as their families;

WE THE UNDERSIGNED petition the Legislative Assembly of Ontario to direct the Ministry of Children, Community and Social Service to invest in equitable, needs-based disability services to all individuals who need them regardless of diagnosis or age.
